What is marketing? definition and meaning ... Marketing is based on thinking about the business in terms of customer needs and their satisfaction. Marketing differs from selling because (in the words of Harvard Business School's retired professor of marketing Theodore C. Levitt) "Selling concerns itself with the tricks and techniques of getting people to exchange their cash for your product. 12 Marketing Trends To Take Advantage Of This Year The world of marketing is constantly changing, especially in the modern era of social media, automated ad tech and audience analytics. Learn What Marketing Is and How It Is Used Marketing is the process of teaching consumers why they should choose your product or service over those of your competitors. If you're not doing that, then you're not marketing. The key is finding the right marketing method and messaging to educate and influence your consumers at the right time and place.

THIS IS FUSION - Official Site fusion marketing: we think that relationships with brands can be as interesting and as influential as relationships with people. and we've done our job when they let their guard down and forget they are being marketed to.
