

Fourier Mukai And Nahm Transforms In Geometry And Mathematical Physics

Summary:

Fourier Mukai And Nahm Transforms In Geometry And Mathematical Physics Free Pdf Books Download posted by Bailey Moore on October 17 2018. It is a copy of Fourier Mukai And Nahm Transforms In Geometry And Mathematical Physics that reader could be downloaded this by your self on socpapers.org. For your information, i do not place file downloadable Fourier Mukai And Nahm Transforms In Geometry And Mathematical Physics at socpapers.org, it's only PDF generator result for the preview.

Fourier-Mukai transform - Wikipedia In algebraic geometry, a Fourier-Mukai transform \hat{K} is a functor between derived categories of coherent sheaves $D(X) \rightarrow D(Y)$ for schemes X and Y , which is, in a sense, an integral transform along a kernel object $K \in D(X \times Y)$. **FOURIER-MUKAI PARTNERS OF SURFACES IN POSITIVE CHARACTERISTIC** **FOURIER-MUKAI PARTNERS OF K3 SURFACES IN POSITIVE CHARACTERISTIC** **MAX LIEBLICH AND MARTIN OLSSON** CONTENTS 1. Introduction 1 2. Mukai motive 3 3. Kernels of Fourier-Mukai equivalences 9. big picture - Heuristic behind the Fourier-Mukai transform ... The Fourier-Mukai transform in algebraic geometry gets its name because it at least superficially resembles the classical Fourier transform. (And of course because it was studied by Mukai.) Let me give a rough picture of the Fourier-Mukai transform and how it resembles the classical situation.

Fourier-Mukai transforms for quotient varieties ... A Fourier-Mukai (FM) transform is an exact equivalence $\hat{K} : D(Y) \rightarrow D(X)$ between the bounded derived categories of coherent sheaves on two smooth projective varieties X and Y . **Fourier-Mukai transforms - University of Bonn** Basics Fourier-Mukai transform Compositions Fully faithful Equivalences Spherical twists $X, X_0 = \text{smooth projective varieties} / C$ and $E \in \text{Db}(X \times X_0)$. The Fourier-Mukai transform $\hat{K} : E$ with Fourier-Mukai kernel E is the composition p_* . **Fourier-Mukai transform on abelian surfaces | SpringerLink** We study moduli spaces of stable sheaves on abelian surfaces whose Mukai vectors are related by a cohomological Fourier-Mukai transform. We show that there is a Fourier-Mukai transform inducing a birational map between them.

Fourier-Mukai duality for K3 surfaces via Bridgeland ... Fourier-Mukai duality is a duality between a variety X and a moduli space of stable sheaves on X , which is a generalization of the duality between an abelian variety X and its dual abelian variety $\text{Pic}^0(X)$. In this article, we shall explain Fourier-Mukai duality for a K3 surface by using Bridgeland stability condition. **Fourier-Mukai transforms and Bridgeland stability ...** FMTs and stability conditions on abelian threefolds in the literature) of the heart of the stability condition. In this paper we use Fourier-Mukai.

fourier mukai transform
